INDEPENDENT AUDITOR'S REPORT

To the Members of Hemophilia Ontario

Opinion

We have audited the financial statements of Hemophilia Ontario (the "Organization"), which comprise the statement of financial position as at December 31, 2020, and the statements of changes in net assets, operations and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at December 31, 2020, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with those requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

(continues)

Independent Auditor's Report to the Members of Hemophilia Ontario *(continued)*

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

HEMOPHILIA ONTARIO
Notes to Financial Statements
Year Ended December 31, 2020

1. NATURE AND PURPOSE OF THE ORGANIZATION

Hemophilia Ontario (the "Organization") was incorporated without share capital by Letters Patent under the Corporations Act of Ontario as a not-for-profit organization in 1988. Its objective is to promote opportunities for improving the quality of life and health for all affected with bleeding disorders. The ultimate aim is a cure. Towards those ends, the Organization is committed to provide and support programs of research for consumer, public and professional education; and consumer, family and community services.

The Organization is exempt from income tax in Canada as a registered charity under subsection 149(l) of the Income Tax Act (Canada).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements are the representation of management and were prepared in accordance with Canadian accounting standards for not-for-profit organizations in Part III of the CPA Canada Handbook.

Revenue recognition

The Organization follows the deferral method of accounting for contributions. Unrestricted contributions, including donations and fundraising and gaming activities, are recognized as revenues when received or receivable, provided that contributions receivable can be reasonably estimated and collection is reasonably assured. Restricted contributions, including grants, are recognized as revenues in the year in which the related activities undertaken and expenses are incurred.

Program and events are recognized as revenues when the related activity takes place.

Investment income (losses) is recognized as revenue when earned (incurred). It includes realized and unrealized gains and losses, dividends and interest income.

Government assistance, including the Canada Emergency Wage Subsidy, are recognized on an accrual basis in the year the related eligible expenses are incurred.

Financial instruments

The Organization initially measures its financial assets and financial liabilities at fair value. It subsequently measures all its financial assets and financial liabilities at amortized cost.

The financial assets subsequently measured at amortized cost include cash, investments and accounts receivable. The financial liabilities measured at amortized cost include accounts payable.

Capital asset expenditures

Management adopted a policy of expensing individual capital asset purchases of \$5,000 or less. Individual expenditures in excess of \$5,000 are capitalized and amortized over the useful life of the asset.

In 2020, the Organization acquired computer equipment. Total expenditures for this equipment was \$2,130 (2019 - \$1,080). In accordance with the Organization's accounting policy, these purchases have been expensed and are classified in the statement of operations and changes in net assets as office supplies and expenses.

Allocation of expenses

The Organization operates programs to improve the quality of life and health for all affected with bleeding disorders. The cost of programs includes certain salaries that are directly related to providing the program services.

(continues)

HEMOPHILIA ONTARIO
Notes to Financial Statements
Year Ended December 31, 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributed services

The Organization would not be able to carry out its activities without the services of many volunteers who contribute a considerable amount of their time and services. For accounting purposes, contributed services are not recognized in these financial statements.

Measurement uncertainty

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. These estimates are reviewed periodically and adjustments are made to revenues and expenses as appropriate in the year they become known. Actual results could differ from these estimates.

3. FINANCIAL INSTRUMENTS

The Organization is exposed to various risks through its financial instruments. It is management's opinion that the Organization is not exposed to significant interest rate, liquidity or credit risks or any significant concentrations of risk arising from its financial instruments.

The Organization is exposed to currency risk on its investments which are denominated in U.S. dollars and other international dollars. The Organization does not use derivative instruments to reduce its exposure to currency risk. All amounts included in the investment amount at year end have been converted to Canadian dollars.

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Organization is exposed to other price risk with respect to its investments. The Organization uses professional, independent advisors to monitor its investment portfolio.

4. INVESTMENTS

	<u>2020</u>	<u>2019</u>
Canadian equities	\$ 672,702	\$ 366,116
Cash and cash equivalents	356,487	273,608
Guaranteed Investment Certificate	<u>20,755</u>	<u>20,755</u>
	<u>\$ 1,049,944</u>	<u>\$ 660,479</u>

The Guaranteed Investment Certificate at December 31, 2020 earns interest at 0.2% and matures on February 20, 2021.

HEMOPHILIA ONTARIO
Notes to Financial Statements
Year Ended December 31, 2020

5. DEFERRED CONTRIBUTIONS

Deferred contributions are as follows:

	2020	2019
Contributions for future programs and expenses	\$ 43,073	\$ 43,073
Unspent proceeds from gaming activities:		
Provincial Nevada	63,112	30,117
Bingo	21,714	12,010
	\$ 127,899	\$ 85,200

Cash includes balances held in separate bank accounts for unspent Bingo and Provincial Nevada proceeds.

6. INTERNALLY RESTRICTED NET ASSETS

In 2019, the Board of Directors transferred the previous internally restricted net assets of \$50,000 into the unrestricted net assets. The Board then preceded to approve a transfer of \$1,100,000 to an new internally restricted net assets. This internally restricted net assets has been setup with the following purposes:

- Operational reserve;
- Develop a revenue stream through investments to support operations;
- Maintain programming and services in the event of future reductions in revenue; and
- Support future programs, services, education and advocacy which are not funded by revenue from other sources.

Cash and investments include amounts to support these internally restricted amounts.

7. INVESTMENT INCOME (LOSS)

	2020	2019
Interest	\$ 27,423	\$ 7,283
Dividend	15,338	6,762
Total dividend and interest	\$ 42,761	\$ 14,045
Realized gains (losses)	\$ (37,845)	\$ 3,233
Unrealized gains (losses)	51,686	(23,438)
Total investment gains (losses)	\$ 13,841	\$ (20,205)

8. ALLOCATION OF EXPENSES

Program expenses reported in the Statement of Operations include allocations of human resource expenses of \$108,563 (2019 - \$95,032).

HEMOPHILIA ONTARIO
Notes to Financial Statements
Year Ended December 31, 2020

9. GOVERNMENT ASSISTANCE

As part of the response to COVID-19, the federal government introduced the Canada Emergency Wage Subsidy ("CEWS") to assist employers whose activities have been affected by COVID-19. For the period of March 18 to December 31, 2020, management applied and received \$71,128. The Organization intends to apply for the CEWS for all subsequent periods for which it is eligible.

10. COMMITMENT

The Organization leases a premise under a long-term lease that expires on January 31, 2022. Under the lease, the Organization is required to pay \$847 a month. In addition to the above base rent, the Organization must pay for its proportionate share of utilities, property taxes, maintenance and other related costs for the leased premises.

2021	\$	10,164
2022		847
		<hr/>
	\$	<u>11,011</u>

11. SIGNIFICANT EVENT

On March 11, 2020, the World Health Organization characterized the outbreak of a strain of the novel coronavirus (COVID-19) as a pandemic, which has resulted in a series of public health and emergency measures that have been put in place to combat the spread of the virus. The duration and impact of COVID-19 are unknown at this time. It is not possible to reliably estimate the impact that the length and severity of these developments will have on the financial results of the Organization in future years. Management continues to closely monitor and assess the impact on operations.
